Dear Parent/Carer

I hope this letter finds you well and I am writing to advise you of a resource that is available.

CGP have produced boxes of science revision cards that we have trialled with previous students and they have proven to be very popular. Each card contains several questions with the answers on the back. There are cards for every topic in science. These cards negate the need for students to produce their own revision cards and they can then spend more time learning and practising their knowledge.

Several students have asked if they can buy a set to take home. As a school, we have purchased these cards at a discounted price which we can then pass on to you.

- Combined Science - £10.50
- Triple Science - £13.50

If you would like to purchase a set of these cards, then please send your son/daughter to the science resource room with either a cheque made payable to King Ecgbert School or the correct cash.

Yours faithfully

Miss L Kilcommons
Head of Science
