Dear Parents and Carers

I am writing a brief message today to inform you about our plans to re-open school.

As I am sure you are aware the Government is asking secondary schools to begin to open from 1 June to offer limited face to face teaching to Years 10 and 12 to supplement our Virtual School work. This will not be full time and not with a full timetable.

This means Years 7, 8 and 9 will be on Virtual Schooling until at least September.

Our planning for opening is happening at pace but agreeing plans with Governors, consulting with staff and unions as well as any work required on site to carry out the new safety regulations mean we will not be ready to open on 1 June.

Please be re-assured that this is an indication of the level of planning and assurance we need to maximise the safety needed.

I will be in touch later this week with more information so if you could please avoid contacting school to ask about the reopening. Please be assured I will share details when available.

Next week is half term so ask your children to keep up the good work studying from home this week and we'll leave them alone for a good break from school work next week- they are doing really well!

Yours faithfully

Mr P Haigh
