

<p>Urbanisation What is it and what are the general patterns?</p>	<p>Urban Growth</p>	<p>Deindustrialisation</p>
<p>Megacity</p>	<p>Rural-urban migration (causes and consequences)</p>	<p>Suburbanisation (causes and consequences)</p>
<p>counter urbanisation (causes and consequences)</p>	<p>Urban regeneration</p>	<p>World cities</p>
<p>Decentralisation</p>	<p>Rise of the service economy</p>	<p>Urban policy</p>

Urban form	Physical factors in urban form	Human factors in urban form
Town centre mixed developments	Cultural and heritage quarters	Fortress development
Gentrified areas	Edge cities	Post-modern western city
Economic inequality	Multiple deprivation	Social segregation

Cultural diversity	Urban heat island	Albedo
Venturi effect	Urban canyon	Particulate pollution
Photochemical pollution	SUDS	River restoration (what is this, and provide an example project)
Sustainable urban development	Ecological footprint	Difference between sustainability and liveability
