

	Mid topic assessment		end of topic test		core practical
GCSE Physics Timetable					
	Y11 Triple (3 hours)	Assessment / practical	Y11 Combined(1 hour)	Assessment/practical	
02/09/2024	Topic 8 Energy / Topic 9 Forces		Topic 12 Magnetism and the motor effect		
09/09/2024		Vector diagrams			
16/09/2024					
23/09/2024	Topic 7 & 8 & 9 Test / Start Topic 10			Topic 10 Test - sit in either Bio or Chem lesson	
30/09/2024	Topic 10 Electricity		Topic 13 Electromagnetic induction		
07/10/2024		Electricity and circuits			
14/10/2024				Electromagnet	
21/10/2024		Core practical - IV curves, Series and parallel circuits			
28/10/2024	Half Term				
04/11/2024	Topic 10 Electricity		Topic 13 Electromagnetic induction		
11/11/2024		Resistance of an LDR		Transformers	
18/11/2024			Topic 14 Particle model		
25/11/2024	Revision			Core practical - density	
02/12/2024	Y11 mock exams 1				
09/12/2024					
16/12/2024	Topic 11 Static electricity	Static electricity	Topic 14 Particle model		
23/12/2024	Christmas holiday				
30/12/2024					
06/01/2025					
13/01/2025	Topic 10 & 11 test				

20/01/2025	Topic 12 Magnetism and the motor effect		Topic 14 Particle model	
27/01/2025				
03/02/2025	Topic 13 Electromagnetic induction			Particle model
10/02/2025		Transformers		
17/02/2025	February half term			
24/02/2025	Y11 mock exams 2			
03/03/2025	Topic 14 Particle model	Core practical - density	Topic 14 Particle model	
10/03/2025				
17/03/2025		Core practical SHC		
24/03/2025				
31/03/2025	Easter			
07/04/2025				
14/04/2025	Topic 15 Forces and matter	Core practical Extension of a spring	Topic 15 Forces and matter	
21/04/2025		Core practical Extension of a spring		
28/04/2025	Revision			Core practical Extension of a spring
05/05/2025				
12/05/2025				
19/05/2025
