

Home School Communication

EduLink

EduLink is a web / app-based service that we use to communicate with parents. Parents and students will each have their own accounts that they **must activate**.

What is on there?

It has lots of really useful information for students and their families to support them in their learning including:

- **Attendance** and punctuality information
- **Homework**
- **Behaviour** and **achievement** information
- Student **timetable**
- **Catering** balance and details of student spending
- Student **grade collector reports**
- Links to other useful websites (eg. **Parent Pay** and **moodle**)

Why does everyone need to use it?

- This is how students will know about their homework and be able to organise themselves effectively.
- It is an important way that parents can support their child in their learning as they can discuss homework / attendance / behaviour etc using up to date information.
- The school uses it as a tool to communicate with families and will send messages via the app.
- Parents can use it to communicate with school over issues such as attendance etc.

How do I access it?

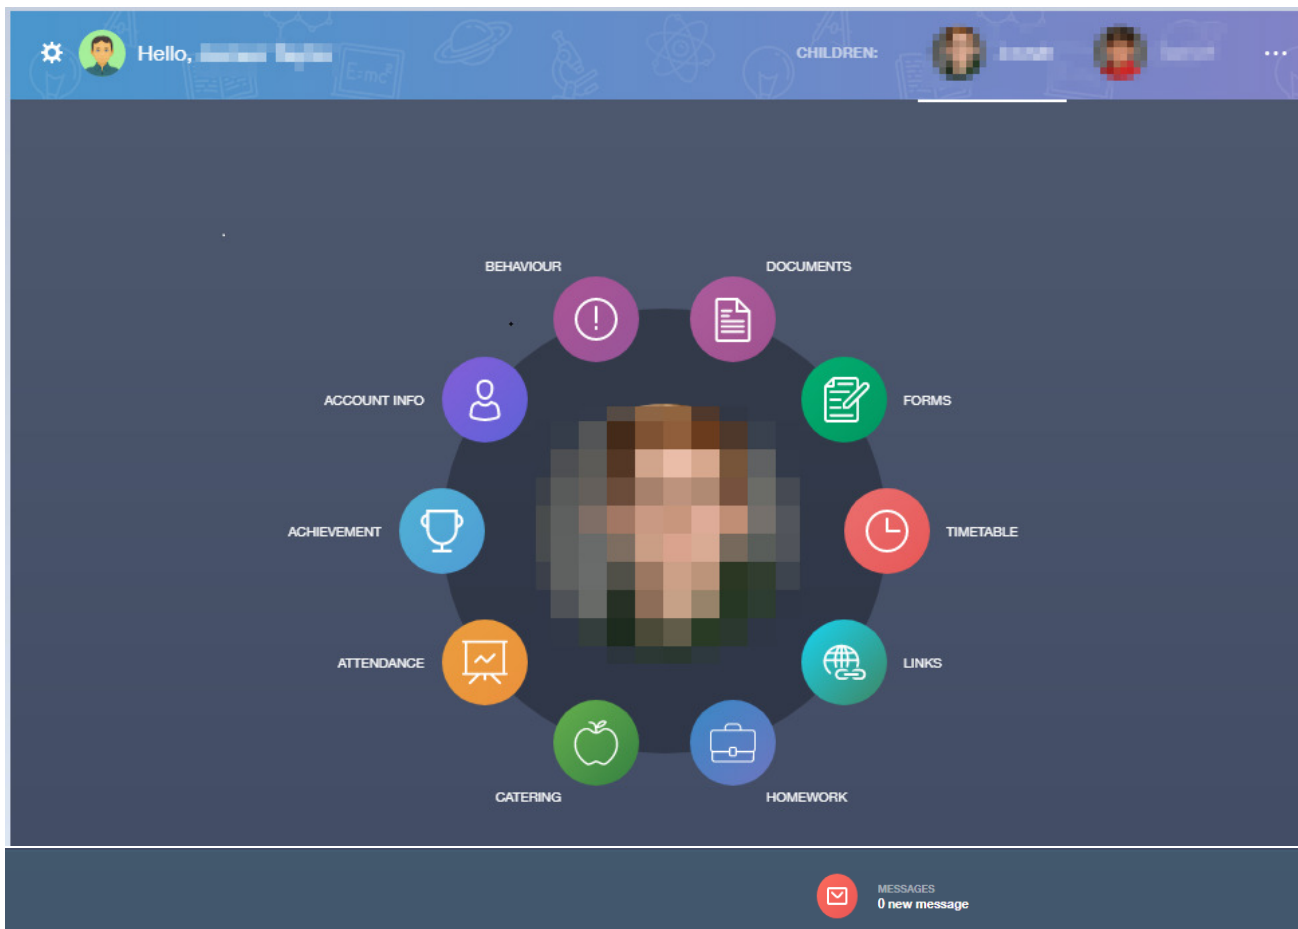

To download it, search '**EduLink One**' in the App Store, or Google Play store. To access via computer simply go to www.EduLinkone.com.

The school ID is: *kingecgbert*

The school will give you your username and password. Please contact the school if you need your log in details.

Accessing it on a computer:

Homepage

Documents (you will find student reports here)

Forms (if we need to complete forms, they will be sent here)

Timetable

Links (this has links to other useful sites such as parent pay and moodle)

Homework (there will be a list of what homework has been set and when it is due)

Catering (you will see how much money is on their account and what they have been buying)

Attendance

Achievement

Account info

Behaviour (this will show you how many behaviour points students have and the details of where these points have come from).

Messages (this is where you will send and receive messages from)

Homework

The screenshot shows a homework management interface with a table of assignments. The table has columns for Due Date, Name, Subject, Available, Submission, and Completed. The assignments are as follows:

Due Date	Name	Subject	Available	Submission	Completed
In 43 Days 26/07/19	Biology Photography Competition	Biology	07/03/19 09:57 98 days ago	Submitted	✓
In 15 Days 28/06/19	Y10 Mock Timetable	Chemistry	10/06/19 11:58 3 days ago	Submitted	✓
In 8 days 21/06/19	Your views	L@KES	12/06/19 17:26 yesterday	Not submitted	✗
In 8 Days 21/06/19	Physics Mock Revision	Physics	25/05/19 11:54 19 days ago	Submitted	✓
In 5 days 18/06/19	Practice Mock Questions	Eng Lit	12/06/19 15:26 yesterday	Not submitted	✗
In 5 Days 18/06/19	The Prelude	Eng Lit	04/06/19 12:05 9 days ago	Submitted	✓

This shows details of homework that has been set and when it is due. You can click on individual items for further instructions and details.

Behaviour

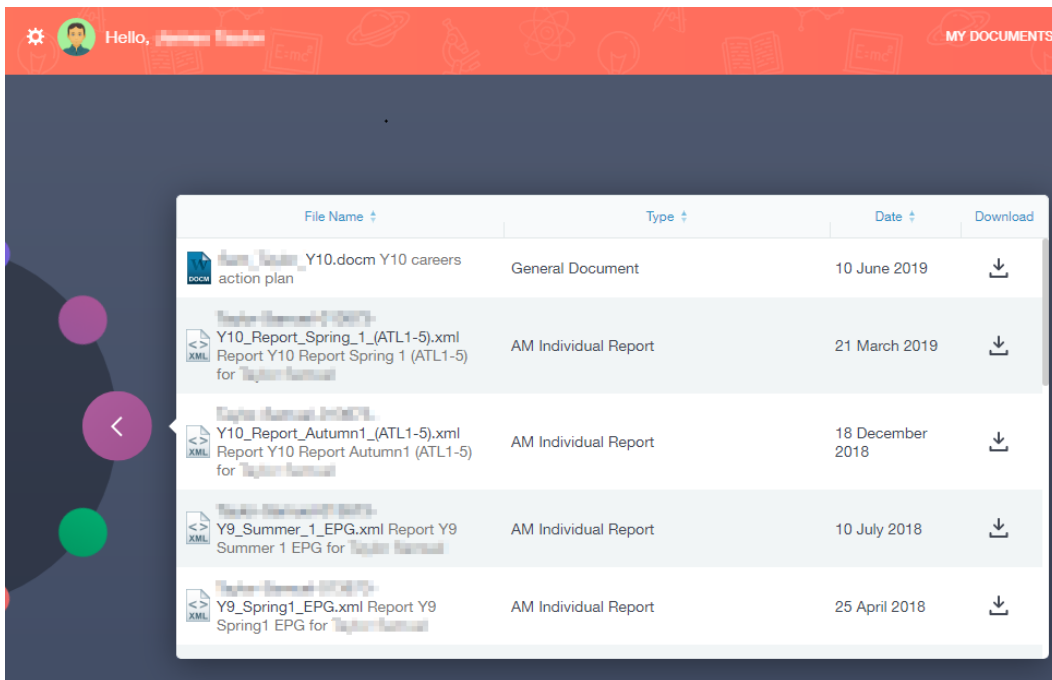

The screenshot shows a behaviour management interface with a table of behaviour records. The table has columns for Type & Date, Comment & Teacher, Action & Info, Location & Status, and Points. The record is as follows:

Type & Date	Comment & Teacher	Action & Info	Location & Status	Points
18-10-2018 Final Warning - Health & Safety Issue	-	Food Pr - [redacted] - ATHu:2	Food Technology	1

Total Negative Points 1

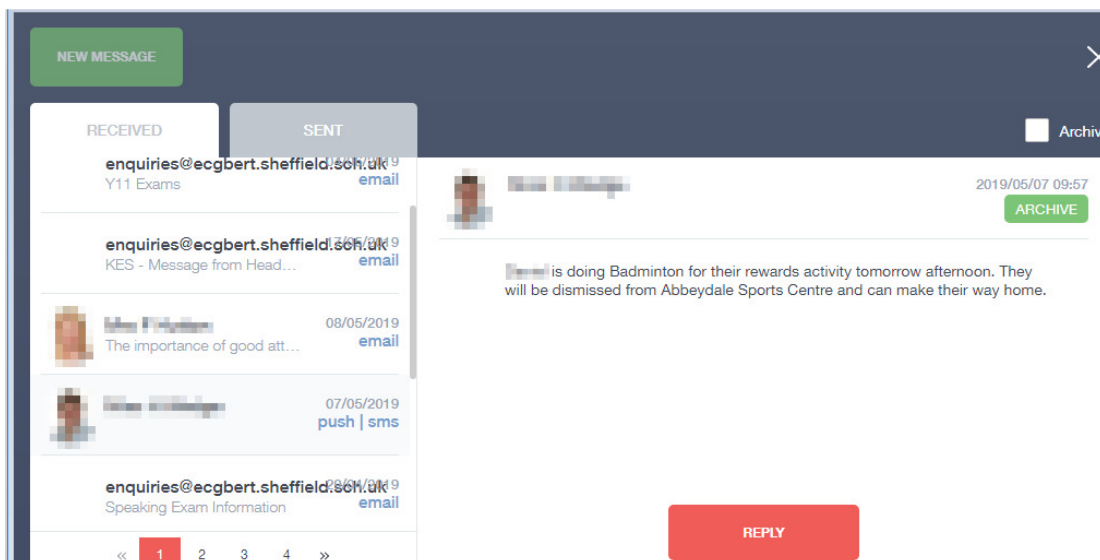

Here you will find details of what type of behaviour they have received points for and in what subject and how many points they have in total.

Documents

Here you have a list of student reports. You can download these to view them. All their previous reports are stored here as well as the most recent ones.

Communication

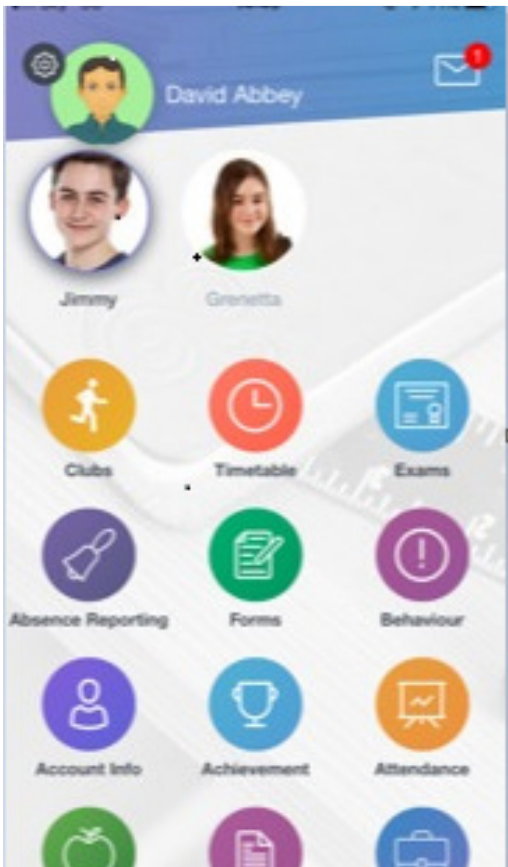

Here you will be able to see messages that have been sent to you. You can click reply if you want to respond to the message.

Accessing it on an app:

These images are not from a real student. You will not be able to see all of the icons. The ones that will appear on your app are listed at the bottom.
