Dear Parents and Carers

Week 5 of school closure

As we enter the fifth week of national school closure, we are writing to all parents/carers of children who attend *King Ecgbert School* which is a member of the Mercia Learning Trust.

Firstly, we wish to send our very best wishes to you and your family. Individual home circumstances vary greatly, but we know the situation is currently very difficult. We also wish to thank you for supporting your child with learning at home. Establishing a daily routine and continuing learning is vital during this period without school.

Secondly, we want to reassure you that each school and the Trust is tracking the national lockdown strategy carefully, particularly regarding any potential future partial school re-opening. At the time of writing we have received no information from central government but will write to you when we do.

Thirdly, we wish to collect your views about school strategy to date. Specifically, the effectiveness of communication, home learning and student welfare checks. Please complete the survey below by Friday 8 May at the very latest. We will use your feedback to further improve our future plans.

I hope you enjoy the Bank Holiday weekend and thank you again for your continuing support.

Yours faithfully

Mr P Haigh
