Dear Parents and Carers

Today, Sheffield Local Authority have confirmed schools are to open to more students from Monday 15 June. I have attached letters from Greg Fell, Director of Public Health for Sheffield and Councillor Abtisam Mohammed Cabinet Member for Education and Skills.

This means we are going ahead with our plan to open to Year 10 and Year 12 students starting next week with individual appointments for students to meet their form tutor.

We will soon send instructions to Y10 and Y12 students' parents/carers on how to make an appointment for your child via Edulink together with detailed guidance about safe access to school next week.

In due course Y10 and Y12 students will receive a timetable of academic sessions offered for them, and supervised study sessions offered to those with the greatest need based on the form tutor meetings next week.

We look forward to seeing Y10 and Y12 students next week.

We recognise for all students the Virtual School is the main way they will be learning at least for the rest of term. However, I want to reassure you we are running a whole staff training day on 19 June where staff will be supported to provide even more sophisticated Virtual Learning opportunities for your child at this difficult time.

Yours faithfully

**Mr P Haigh**
