Tel: 0114 3053284 / 3053586

Dear Sheffield Parents/Guardians,

Please be aware that the Sheffield School Nursing service is recommencing its immunisation programme shortly. All parents/guardians whose child/ren are outstanding an immunisation from this current academic year, will be contacted directly with an invitation to attend an immunisation session.

Please ensure if you have recently moved address or changed your contact details that your GP has been informed of these changes. This will ensure that we have the ability to contact you with details of the relevant sessions. Please note not all children are due immunisations at this present time.

Parents/Guardians who have any questions regarding this should contact the School Nursing Service, on the above telephone numbers. These immunisations are offered in line with the National Immunisation Schedule as set out by Public Health England.

Please note these immunisations are routine immunisations and are not related to COVID-19 or the Influenza Vaccine. We have taken specific safety precautions in line with Public Health England advice, regarding COVID-19 and we will provide all the information required for you to attend these sessions safely with the session invitation.

Yours Sincerely,

The Sheffield School Nursing Service

Sheffield 0-19 Team.
