Dear Parent/ Carer

### GCSE Art & Design

In Art & Design we currently provide a good range of materials for students, and would like to improve this by extending provision, allowing students access to better equipment and to work on a more challenging scale.

In Art & Design we currently provide a good range of materials for pupils, and would like to improve this by extending provision, allowing students access to better equipment and to work on a more challenging scale.

In order to improve and extend provision in Art & Design with regard to materials, we are asking for a donation of £5 to cover some of the costs of a heavily intensive practical course. The price of consumables is extremely high in Art, and we intend to use this money to maintain provision through continued access to good quality paints, crayons, pencils and to ceramics, digital cameras, sculpture, and textiles, e.g. silk painting and felt making.

If a student decides to complete a large scale piece of work, they may be asked to contribute further to the cost of the materials used. We will always discuss this with students first so they have a choice of paying or doing a piece on a smaller scale.

Contributions can be made via Parentpay and if you have mis-placed your log in please email [enquiries@ecgbert.sheffield.sch.uk](mailto:enquiries@ecgbert.sheffield.sch.uk)

I do hope you feel you can support us in this request and please do not hesitate to contact me at school if you wish to discuss this further.

Yours faithfully

Mr S Cawthorne  
Head of Art
