Dear Parent/ Carer

A Level Art & Design

In Art & Design we currently provide a good range of materials for students, and would like to improve this by extending provision, allowing students access to better equipment and to work on a more challenging scale.

In order to improve and extend provision in Art & Design with regard to materials, we are asking for a donation of £10 to cover some of the costs of a heavily intensive practical course. The price of consumables is extremely high in Art, and we intend to use this money to maintain provision through continued access to good quality paints, crayons, pencils and extend access to ceramics, sculpture, and textiles. In addition, students will have extended access to craft activities such as felt-making, free-machine embroidery and silk-painting.

If a student decides to complete a large scale piece of work, they may be asked to contribute further to the cost of the materials used. We will always discuss this with students first so they have a choice of paying or doing a piece on a smaller scale or in a different way.

Contributions can be made via Parentpay and if you have mis-placed your log in please email enquiries@ecgbert.sheffield.sch.uk

I do hope you feel you can support us in this request and please do not hesitate to contact me at school if you wish to discuss this further.

Yours faithfully

Mr S Cawthorne
