Dear Parent/Carer

I hope this letter finds you well and that you are enjoying the beautiful autumnal weather.

CGP have produced boxes of science revision cards that we have trialled with our previous Y11 students and they have proven to be very popular. Each card contains several questions with the answers on the back. There are cards for every topic in science. These cards negate the need for students to produce their own revision cards and they can then spend more time learning and practising their knowledge.

Several students asked if they can buy a set to take home. Therefore, as a school we have purchased these cards at a discounted price.

- Combined Science - £10.50 (Groups O,V,E and R)
- Triple Science - £13.50 (Groups D,I,S and C)

If you would like to purchase a set of these cards, then I will be in the Y11 bubble at the end of school on Wednesdays.

**To minimise contact time between staff and students, it is essential that you send the correct money into school (there will be no change available).**

**Cheques can also be sent in made payable to King Egbert School (please add your son/daughter's name and form to the back of the cheque).**

Thank you for your continued support.

Yours faithfully

Miss L Kilcommons  
Heads of Science
